

## **Daycare Hours of Operation**

**7:30am-6:00pm Monday – Friday**  
**9:00am-1:00pm –Saturday’s**

Your dog’s day will be filled with socializing and playtime with canine friends in our climate controlled indoor playroom and outdoor play yard. Unlike other local facilities, our Daycare has a crew member present at all times, treats 3 times daily, and they are taken outside every 15-20 minutes throughout the day. Additionally, our indoor playroom has a specialized rubber floor specifically made for Daycare. It is a great way to exercise and entertain your dog while you work, shop or spend the day away. Enjoy the benefits of a happy, relaxed dog when you get home.

Daycare is open to dogs that are friendly to people and other dogs. Dogs must be interviewed for temperament testing before their first play day. Interviews are to be scheduled before arrival. Our interview hours are Monday-Friday 9am-4pm.

**We ask that you please call ahead or schedule the days that your dog will be coming to Daycare. This ensures that we are adequately staffed so your dog can get the attention it deserves. ☺ We reserve the right to decline admittance based on full capacity. ☹**
